### **Gulfport Energy Corporation Prices \$600 Million Offering of 6.375% Senior Notes**

**OKLAHOMA CITY** (December 15, 2016) Gulfport Energy Corporation (NASDAQ: GPOR) (“Gulfport”) today announced that it has priced at par an offering of \$600 million aggregate principal amount of its 6.375% Senior Notes due 2025 (the “Notes”). The Notes are being sold to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act. The Notes will be issued under a new indenture and will rank equally with Gulfport’s previously issued senior notes and other senior indebtedness. The Notes offering is expected to close on December 21, 2016, subject to customary closing conditions. Net proceeds to Gulfport from the sale of the Notes will be approximately \$591 million. Gulfport expects to use the net proceeds of the Notes offering, together with the net proceeds from its concurrent equity offering, (i) primarily to fund the cash portion of the purchase price for its previously announced pending acquisition of certain assets of Vitruvian II Woodford, LLC and (ii) for general corporate purposes, which may include the funding of a portion of its capital development plans. If the pending acquisition is not consummated, or to the extent that the purchase price is reduced due to a purchase price adjustment under the related purchase agreement, Gulfport intends to use any such proceeds for general corporate purposes, including the funding of a portion of its capital development plans.

The Notes will be general unsecured senior obligations of Gulfport, will be guaranteed on a senior unsecured basis by certain of Gulfport’s subsidiaries and will pay interest semi-annually.

The Notes will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

This announcement is neither an offer to sell nor a solicitation of an offer to buy any of these securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.
